Re: Contact Information for my tribal and other clients for purposes of any arranging any meeting responsive to Mr. Akelkok's invitation of April 14, 2010 to Mr. McLerran, regarding the potential Pebble mine, the Tribes' 404(c) request, and related matters.
Date: June 11, 2010

I understand from Phil North, of EPA in Alaska, that either of you might be responding to a letter, dated April 14, 2010 and attached, by which Mr. Luki Akelkok, President, Ekwok Village Council, invites Mr. McLerran to visit the Bristol Bay drainages of Alaska this summer, and volunteers to assist in coordinating with other Tribes and interests in the area.

I told Mr. North and Ms. Holsman that I would forward to EPA my list of contact information, attached, for the six Tribes which recently sent a letter to Mr. McLerran and to Ms. Jackson requesting that EPA to commence a 404(c) process with respect to certain lands in the Kvichak and Nushagak drainages of Southwest Alaska, and for AIFMA Cooperative (a cooperative of commercial fishers) and Trout Unlimited, both of which have communicated to EPA their support for the Tribes' 404(c) request. Mr. Akelkok has suggested that Ekwok's Tribal Administrator, Richard King, can assist you coordinating for all eight of my clients on matters related to Mr. Akelkok's invitation.

If I can be of further assistance, please advise. Phone communications in SW Alaska are not easy during the summer. I often find that tribal administrators can assist.

Thank you.
